Student Onboarding || AWS Educate for NVIDIA Teaching Kit Users

1) Create an AWS Account

If you do not have a standalone AWS account, create an AWS account on aws.amazon.com.

a. You will need to use an email address not associated with any previous account
b. You will need to follow automatic initiated account verification process which includes adding a valid credit card and a verification phone call with pin code entry.

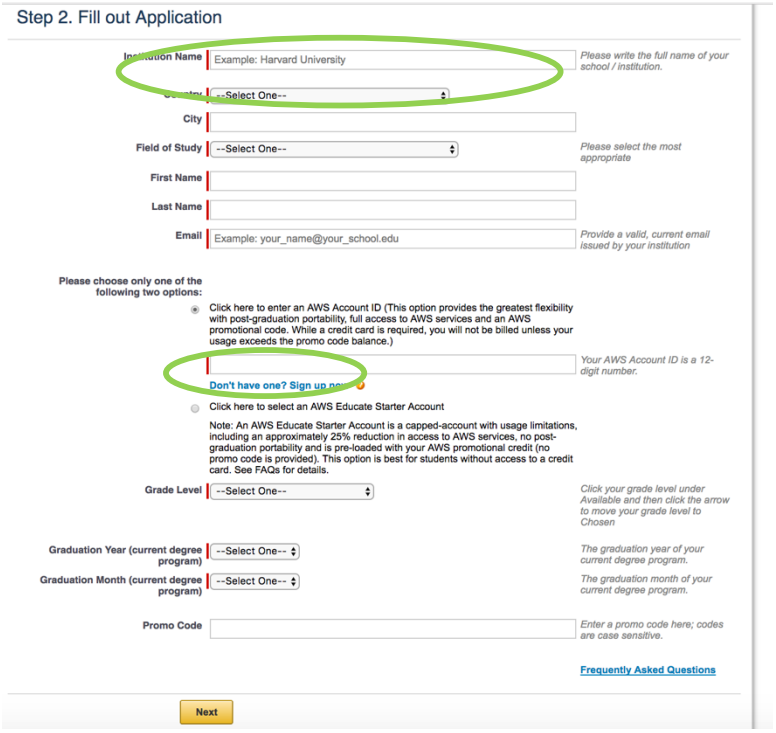

Please note that the credit card <u>will not be charged</u> when the account has credits redeemed on them.

2) Sign up for AWS Educate

Once you have your AWS account set up, retain the account ID information found at the top right of your AWS Management Console when logged in.

1) Go to the promo code link provided by your instructor. **<u>PLEASE DO NOT SHARE THIS LINK WITH ANYONE</u>**.
2) Select Student and click "Next"
3) When filling out the application, for quick approval be sure to:
   a. Select your school from the drop down
   b. Use your school email address
   c. Enter your 12-digit account ID
   d. Your promo code will be pre-populated.
4) After selecting next, you will need to enter the verification code sent to your email address followed by accepting AWS Educate Terms and Conditions
5) You will be redirected to a "Thank you!" page confirming your application has been submitted and is under review

***if you are interested in the no credit card option which functions on the third party qwikLABS and has credits preloaded, please read this FAQ and choose the "AWS Educate Starter Account" option. <u>You will **NOT** have to create a standalone AWS Account and can skip bullet points 1) and 3).</u>*

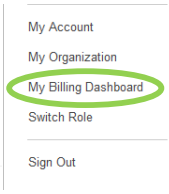

3) Redeem Credit to Account

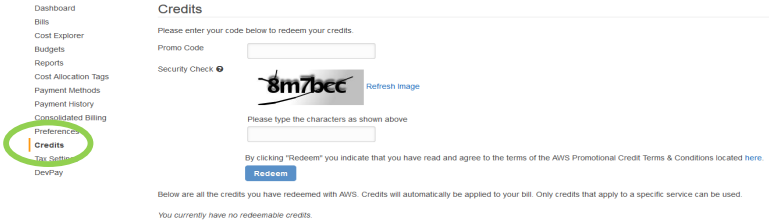

Once you receive your credit code via your welcome email (<u>along with information on further AWS Educate benefits</u>), log into your Management Console and click your Admin tab, followed by "My Billing Dashboard" at the top right of your screen

1) Click "Credits" on the left side of the screen and enter promo code received, Captcha and click "Redeem"
2) Refresh the page and you can view your credits under:

Below are all the credits you have redeemed with AWS. Credits will automatically be applied to your bill.
